

JSMC Photo Contest 2024

The JSMC is seeking high-quality photos for the new JSMC Calendar 2025 and postcards:

The photographs should be themed around:

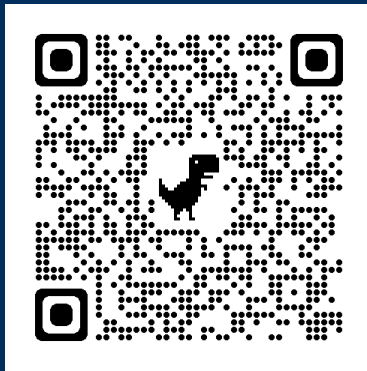

- The microbial world
- Lab work
- Life of a scientist
- Curiosities of your research

Selected photos will be awarded and featured in the calendar or postcards (together with your name and description). If you're interested kindly send your high-quality photograph(s) and the filled-out application form (QR code on the back) no later than May 31st, 2024, to jsmc@uni-jena.de

Please use Zip-files for larger photos.

Please note that by sending in your photographs you agree that the JSMC is using them at their own discretion.
